This is Weighty Truth That Needs To Be Fixed.

Words To Live By

Art thou dejected?
 Is thy mind o'ercast?
 To chase thy gloom,
 Go fix some weighty truth;
 Chain down some passion;
 do some generous good;
 Teach Ignorance to see,
 or Grief to smile;
 Correct thy friend;
 befriend thy greatest foe;
 Be just in all things; make amends
 For follies past, and, with warm heart,
 Forgive, and be forgiven. Let work not words
 Thy virtue prove. Go act as well as prate,
 And then thy counsels will be strong,
 Thy reprimands avail. ANON

THE province of the historian is to gather the
 threads of the past ere they elude forever his
 grasp and weave them into a harmonious web
 to which the art preservative may give immortality.
 Therefore he who would rescue from fast gathering
 oblivion the deeds of a community and send
 them on to futurity in an imperishable record

 Mr. Vonachen,

You have in your inbox correspondences from my efforts for many years (5) or so now.

You know exactly what is going on here that disconnects my care when I mention the subject that that is uprooting a very very dark thing that no one can talk about -- no one can say a thing about this -- I am left with no care in HIV treatment since March 2019.

I refuse to allow myself to be unable to hold honesty in my view of my medical care.

I attempted to send this via PDF Attachment, but your email processing server bounce it back as TOO LARGE.

Therefore please open the link.

What I am placing in here -- the community is responsible for the detachment of my care -- because I refuse to be treated under these conditions of treachery in our country.

I refuse.

As I state in: [Entire Page has Spoken Voice Narrative]:

 BUT INDEED YOU ALL ARE! WORKING INVERSE AGAINST ME

PROVEN! I HAVE NO TIME FOR YOUR SHIT! -- INCLUDES EVERYONE!

I WILL DIE FIRST BEFORE I SUBMIT TO BE SUBORDINATE TO SUCH INSOLENCE!

I am very serious!

You are also mentioned in this:

Gangstalking is pure evil!

This is a realistic study result in the [NIH.GOV](https://pubmed.ncbi.nlm.nih.gov/) published papers

Key Search [Gangstalking]

Conclusions **#StopGangStalking**

Our findings provide insight into a novel persecutory belief system. Interpersonal concerns are important for people affected, and they construe others as either sympathetic or hostile. They create a positive ambient affiliation with viewers. Vloggers use multimodal deixis to illustrate the salience of the belief system. Clinicians may consider stepping away from the traditional true/false dichotomy endorsed by psychiatric classification systems and focus on the ambiguity in semiotic systems generally and in persecutory belief systems specifically.

<https://www.psychnewsdaily.com/the-333-angel-number-meaning-at-once-helpful-and-heavenly/>

What does seeing the 333 angel number usually mean?

That all depends on context. For example, the number **333 stands for the holy trinity** in a Biblical context (and it is exactly half of the "devil's number," or 666).

In this sense, it stands for the three general areas of **the trinity** — mind, body, and spirit.

But the more spiritual meaning — which we are concerned with here — is generally about **encouragement and assistance**.

In a nutshell, this sign means that **your prayers are coming true**.

And the angels who bring you this number are there to help you with whatever plans lie ahead.

So what should you do if you come across this number?

Let's look together at all of these questions, and see if we can **figure out what the angels are trying to say**.

Even with the the Angel Number 333 to guide you, there's still work to do

For example, you might find yourself regularly having **negative thoughts, which hinders your spiritual growth.**

So even though universal energies, along with the assistance of angels, are with you, you still need to do all **the spiritual and mental work to achieve your goals.**

Therefore, the number 333 is a sign that shows you need to **work on reconnecting with your inner purpose** and the deeper needs of your soul.

It is Time you all to find PROVIDENCE -- and FIND Yourself asking for what it is that will save you from the knowing truth --

GOD IS REAL - GOD IS WATCHING THIS! GOD IS NOT VERY HAPPY THAT YOU REMAIN THERE SILENT!

I HAVE NO FREE WILL SO THAT I CAN WORK ON INNER PURPOSE -- There is something so so evil working in all of this!

I have not been in treatment care since March 2019 because my care has collapsed in view of all civil society not being able to address this and have this put to our correction --

The moral agency in this -- is lost -- I will not sit down and shut the fuck up to watch this --- as treasonous to my country that would be.

As to write this once again, looping all my words in this into view of all who can really see -- I am dying -- in my final stretch --- unable to get care --- properly assigned with personal responsibility for the conduct of unbecoming professionals in all categories of civil society - I DETACHED I AM HUNG OUT TO DRY -- I DIED!
